5. (Confidential - LLM) Charles Snodgrass, Defense Subcommittee, House Appropriations Committee staff, called to assure that appropriate instructions had gone out to the field to authorize our stations to discuss matters freely with him, including SIGINT. In response to my view that our assurances should satisfy him, and he said that we had the highest of credibility with him but that his caution in this respect derived from experiences he has had with other agencies and that is why he wanted to see the cabled instructions.
